Research Project Details

22. Title of Research Project:

23. Lay summary of Research Project (not more than 5000 characters with space)

Please provide a summary of your project that people who may not be familiar with the subject can understand. The description of your project may published on the website if your application is successful.

A lay summary is a brief summary of a research project that has been written for members of the public, rather than researchers or professionals. It should be written in plain English, avoid the use of jargon and explain any technical terms that have to be included

The text should provide answers to the essential questions: Who, What, Where, When, Why, How?

24. Summary of potential impact (not more than 5000 characters with space)

Please provide a summary of the potential impact of your project. Describe clearly any potential benefits that will result from your research project for either your career development, the institution, the selected research field, or the society.

Content should address the following key questions:

- *Who might benefit from this research?*
- *How might they benefit from this research?*

Applicant's Declaration :

I declare that all information specified in this application is accurate and true.

I agree that the University of Malaya reserves the right to reject this application without giving any reasons or withdraw the offer at any time if information given is found to be untrue.

Date :
(dd-mm-yy)

Instruction to submit the form
Following are **three compulsory steps**:

- 1) Click the save button to save the form and label as "<<your name>>- financial Aid <<date (dd-mm-yy)>>"
- 2) Click the submit button to submit the softcopy of the form, or EMAIL the saved form directly to pen_ippp@um.edu.my and cc to fanhw@um.edu.my. This is a very important step as it indicates your express of interest to apply to the Student Financial Aid. (Supporting documents are not required in this step)
- 3) Click the print button to print **ONE copy** of the saved form and submit together with all the certified certificates and supporting documents to your supervisor and HoD/Dean for their comment. Then, submit the hardcopy to the following address:
Main Office of IPPP, Level 7, Research Managment & Innovation Complex, University of Malaya. Attn. to Ms Bidattul Syirat Zainal.

IMPORTANT:

It is the applicant's responsibility to ensure that you have read and understood the application requirements and have gathered and submitted all the necessary components of the application by the **deadline 17 June 2019**.

If any required document is not submitted, or submitted in the wrong way, your application **will NOT be assessed**, even if the study documentation is otherwise complete.

PART II

To be completed by Supervisor
